RASHTRIYA VAYOSHRI YOJANA AHMEDNAGAR DISTRICT

अभिवादनशीलस्य नित्यं वृद्धोपसेविनः। चत्वारि तस्य वर्धन्ते आयुर्विद्या यशो बलम्॥

The meaning of the above shlok is that a person who respect elders, serves them with humility, and follows their directions will find success, live long, gain wisdom and strength.

Our **Honourable Prime Minister Shri. Narendra Ji Modi** gave traction to this idea and launched the Rashtriya Vayoshri Yojana. With the aim of translating our vision of “**Sabka Saath, Sabka Vikas Aur Sabka Vishwas**” into reality, our government has been implementing the Rashtriya Vayoshri Yojana and helping elderly citizens since 2017. In the last four years, the program did not gain the visibility and outreach on a state level. However, as an elected member, the amount of love and blessings that I received while implementing the project is immeasurable. During the process, we realized the difficulties that elderly citizens face due to lack of availability of health accessories and making it available to them was an honour for me.

We have decided that for the next five years, all the accessories and equipment provided under this scheme will be maintained by **Dr. Vitthalrao Vikhe Patil Foundation**. We aim to spread this scheme even further and hope to empower over 1 lakh beneficiaries under the scheme.

I believe that every MP of Bharatiya Janata Party will implement the Rashtriya Vayoshri Yojana in their constituency and will help promote the health and welfare of the elderly citizens from poor and marginalized families.

Dr. Sujay Vikhe Patil

Member of Parliament,
Ahmednagar

Shri. Radhakrishna Vikhe Patil

Cabinet Minister of Revenue, Animal Husbandry
& Dairy Development, Government of Maharashtra

Rashtriya Vayoshri Yojana is one of the major schemes initiated by **Honourable Prime Minister Shri. Narendra Ji Modi**.

Under this scheme, any citizen of India who is over 60 years of age and has a monthly income of Rs. 15000/- or less, is eligible to get health accessories free of cost.

Seventeen health accessories viz. normal or commode fitted wheelchair, silicon cushion, walking cane, crutches, hearing aid, artificial dentures, spectacles, braces for knees, back, neck etc. to relieve joint pain and a complete foot care unit are provided under this scheme.

A person with multiple disabilities can avail multiple health accessories according to their needs. The central government will cover all the accessory expenses.

All the health accessories have been developed based on the parameters laid down by the Artificial Limbs Manufacturing Corporation of India - ALIMCO.

Required Documents :

- Income Proof*
- Aadhar Card
- Ration Card
- Mobile Number
- Passport Size Photo

*Understanding the problems faced by poor and aged citizens in getting the income proof document, a recommendation letter by Village Sarpanch, Local Corporator or Government Official is acceptable.
